

PRODUCT CHANGE NOTIFICATION

Date: December 12, 2019
PCN: PCN LEDIL 156

Subject: PCN 156 - Additional PMMA material approved.

Description:

As part of our continuous improvement process regarding the product quality, performance & availability, LEDiL has approved an additional PMMA material to be used in certain LEDiL standard PMMA products.

During the approval process, the material and the products have gone through comprehensive mechanical, environmental and optical tests ensuring compliance with the specifications. Details of the used material can be found in each delivery COC
